Description of Incident:

Manchester Fire Emergency Dispatch received a 911 call for smoke in the building. First arriving companies reported "smoke showing 3rd floor windows". Rapid size up upgraded initial report to include "smoke showing floors 2 and 3" of a 3 story wood framed building. Crews initiated an aggressive interior offensive attack utilizing a 1-3/4" charged hose line to floor #2. A second 1-3/4" line was advanced to floor #2. Fire contained to kitchen and dining area of 2nd floor. Primary and secondary searches for possible occupants still inside the building conducted, all occupants were accounted for. Four residents were displaced, and will be assisted by Red Cross.

Civilian Injuries: None

Emergency Service Injuries: None

Special Circumstances: Occupied, 3 story wood framed building. Location of building was at end of dead end road which limited access for fire apparatus. Damages to the building \$ 100,000.

Cause: Undetermined, accidental.

Incident Commander: Battalion Chief Robert Beaudet
